Dedication

For the past 17 years Fr. Herman has served the members of the High School with his untiring efforts as rector. The efficiency with which the High School department is run attests to his abilities.

And yet, it would be incorrect to say that he is limited to the field of administration, for he figures in every phase of all student activities, from planning to final execution. Aside from these things, he also manages to conduct a class in world history.

This year marks Father's 25th anniversary of ordination to the priesthood. On the occasion of his Silver Jubilee it is, therefore, with deep appreciation that we, the Senior Class, dedicate the 1965 *Suscipe* to our rector, Fr. Herman.

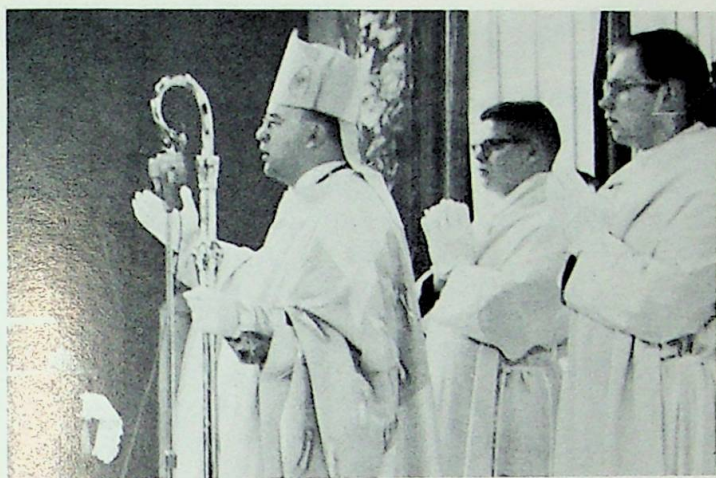

Our Archbishop . . .

The Most Reverend

Paul C. Schulte, D.D.

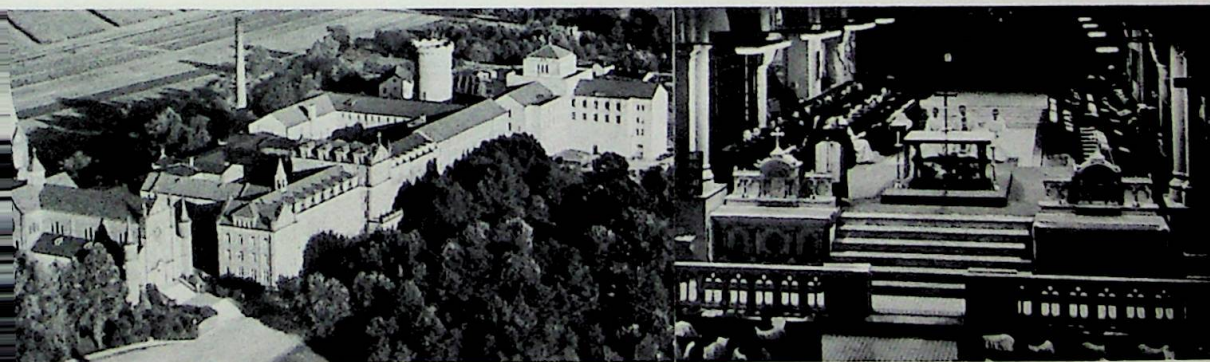

Our Archabbot . . .

The Right Reverend

Bonaventure Knaebel, O.S.B.

In grateful appreciation . . .

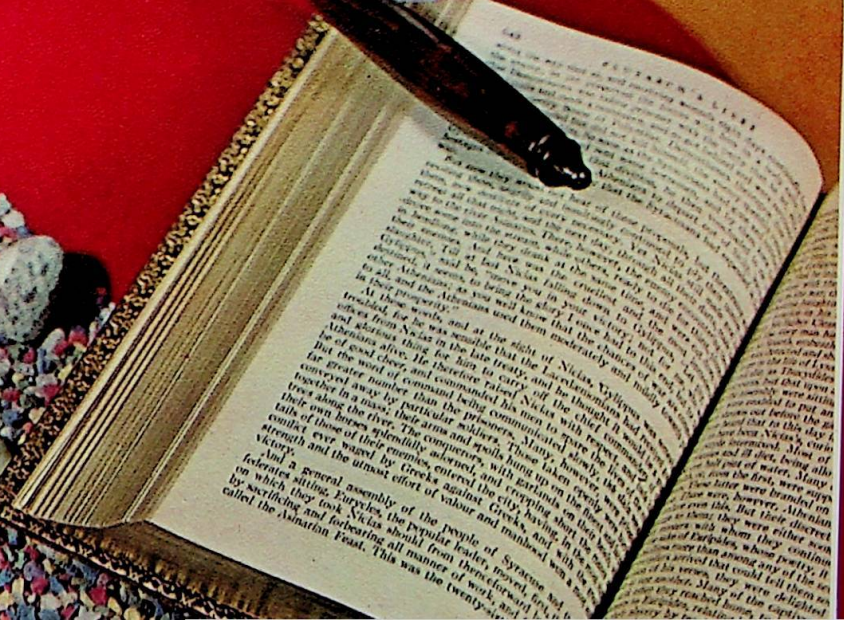

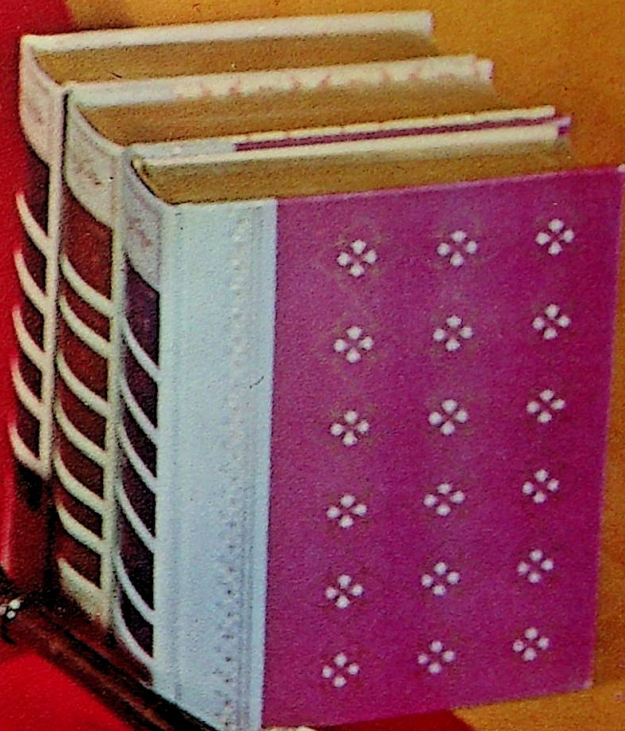

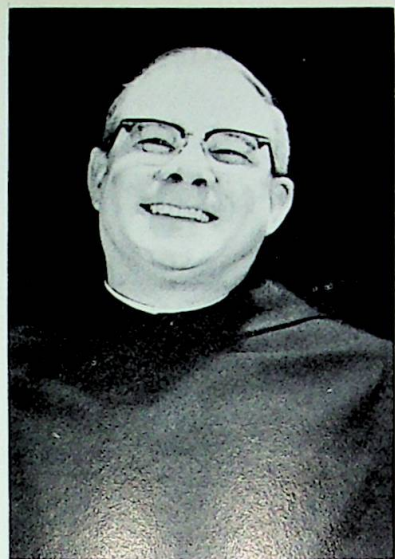

Father Herbert, High School librarian and English teacher, is shown above performing one of his many services to the student body, posting the daily newspaper.

No matter how busy he is, Father has always been ready and willing to help out any student in need of research material or the like, even if this means a special trip to the Archabbey Library.

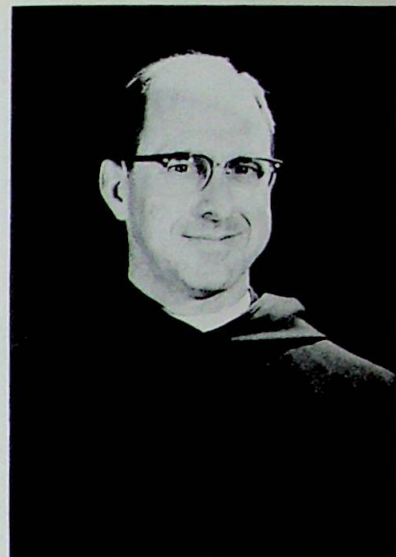

We would like at this time to express our grateful appreciation to Fr. Herbert for the services which he has so thoughtfully performed on our behalf for the past four years.

A collage of images related to undergraduate life. At the top, a torn white paper graphic contains the word "UNDERGRADUATES" in bold, black, sans-serif capital letters. Below this, the background is a warm-toned wood panel. In the foreground, there's a desk scene. On the left, a purple and yellow striped sock is visible. In the center, a red alarm clock with a white face and black hands sits on a wooden surface. To the right, a blue book with gold lettering "ADVENTURES IN ENGLISH LITERATURE" and a decorative gold border is shown. A red pencil lies diagonally across a white sheet of paper with handwritten cursive text. Other papers and books are scattered around, creating a sense of a busy study environment.

A vibrant collage of various objects and documents. At the top, a white torn-edge banner contains the word "ADVERTISING" in bold, black, sans-serif capital letters. Below the banner, a black rotary telephone is positioned on the left. To its right is a red plastic water bottle with a silver cap. Further right is a small, dark glass bottle with a yellow label. In the center, two yellow pencils are shown. A long wooden ruler with a red logo is placed diagonally across the middle. Below the ruler, a pair of black-handled scissors is open. To the right of the scissors is a sheet of paper featuring various logos, including a four-leaf clover, a globe, a gear, and a triangle with the letter 'G'. The background consists of green and orange fabric with a wavy pattern. The overall composition is a mix of everyday objects and documents, suggesting a theme of advertising or marketing.
